The AFLUA is pleased to announce a new partnership with Sweetly Styled for AFLUA members and life members.

Thank you to Lina Scully - wife of Boundary Umpire, James Scully for this partnership with the AFLUA.

"Sweetly Styled is a little humble cake studio based in the northern suburbs of Melbourne.

We love to create all things sweet. Wedding cakes, celebration cakes and religious cakes. Every order is custom made to suit your individual event. We specialise in fondant and buttercream. We can also help you with cookies and cupcakes if cake isn't your thing.

We deliver anywhere in Melbourne.

Contact us at info@sweetlystyled.com or 0432 226 258 to help us create your prefect event."
